ABOUT US

We are a PreK-5th grade elementary magnet school. Our focus is Global Leadership. This means that while students attend our school they will be taught all TN state standards for ELA, Math, Science, & Social Studies. Additionally, they will learn valuable leadership skills and culturally-enriched studies to help them embrace all cultures and be able to compete on a global platform in education and their chosen career path.

"THEY (CHILDREN) ARE THE HOPE OF THE WORLD."

GLOBAL STUDIES

All students get opportunities to learn about cultures around the world and deepen their understanding of our world.

SPANISH EXPLORATION CLASS

As part of our Encore rotation, students will participate in a Spanish Exploration class from K-5th grade. They will explore the culture of Spanish-speaking countries and learn basic conversation in the Spanish language.

CULTURALLY ENRICHED STUDIES

Throughout the school year, students focus on a specific continent & country. They complete research, participate in project-based learning, & activities centered around the culture of these continents. They are also given the opportunity to participate in community culture events.

MEDIA LAB

Each will visit our media lab (library) during their Encore rotation. Each time they visit they will participate in project-based learning task that incorporate our cultural enriched studies.

LEADERSHIP POTENTIAL

Every student gets the chance to grow in their leadership potential through multiple avenues.

HOUSE SYSTEM

Every staff and student pick a house that they are part of while they are at SMG. Through our house system, we work to build a positive community where students celebrate and learn together. We wear our house color & learn what it means to showcase our leadership skills..

House of Community

House of Cultural Awareness

House of Connection

House of Lifelong Learners

House of Empowerment

House of Empathy

COMMUNITY SERVICE PROJECTS

As part of our house systems, students will work together to collect goods to donate to local community partners to help those in need.

October- Food Drive December-Coats

February- Animal Shelter Drive. April- Seed Drive

ENRICHMENT CLASSES

We have clubs that students can participate in after-school as well as on our early release days. These clubs focus on teaching students leadership skills through engaging hands-on activities. Students can pick from News Crew, Yearbook, Robotics, Green Team, or Ambassadors.
