

2024-2025 College Application Video Toolkit

The Tennessee Higher Education Commission (THEC) has partnered with Tennessee higher education institutions to provide college application instructional videos. These videos, created by Tennessee colleges, walk students step-by-step through each college's application process. The Video link below will open the college's instructional video. The Application link will bring you to the college's admissions application or website. To celebrate Tennessee College Application and Exploration Month, many institutions are offering application fee waivers during September, and you will find the dates below.

If the institution you are looking for is not listed, please visit the institution's website for access to their college application.

More schools will be added, and new videos shared during September, so please check back regularly.
