Re: Special Education Services Available Through Knox County Schools

Knox County Schools provides a full continuum of services for students who qualify for special education under the Individuals with Disabilities Education Improvement Act (IDEIA '04).

If you feel your child might require Special Education or other services and want Knox County Schools to provide those services, contact the school to which your child is zoned _____ or call Student Support Services at 594-1540.

If records are available for review or other information that the school might need in order to determine appropriate services for your child, please sign and return a release of information form available at your school so that we may review those records and plan services, if needed.

Thank you for your assistance in this matter.
