**CEDAR BLUFF PTSA “Build The Bluff”**

This year, Cedar Bluff PTSA’s theme is **Cedar Bluff PTSA “Build The Bluff”!** For the coming year the PTSA will be focusing on building up our schools, our communities and of course our students. We also hope to see a resurgence of members and interest in PTSA. Our hope is that everyone will help celebrate the many years of community support, provided by our schools and PTSA, by joining us in making our campus a better environment for all students, staff, families and the Cedar Bluff Community.

Please complete the form below and place it in the attached envelope. Enclose \$7 per person. We will not be having a family membership this year for two reasons.

1. **Elementary students are eligible to be members.**

2. There will not be a family membership package this year. For every membership card issued, we must pay county, state, and national dues, which results in money being taken away from the PTSA budget. We do apologize if anyone is upset, but our main goal is to provide for our schools.

(Checks made payable to Cedar Bluff PTSA). Return payment, in an envelope, to your child’s teacher **TODAY!**

**\*\*Remember: Middle School students, you will be admitted to the PTSA Membership dance with your membership!**
