THERE'S NO PLACE LIKE BMA

Written by Ms. Bond

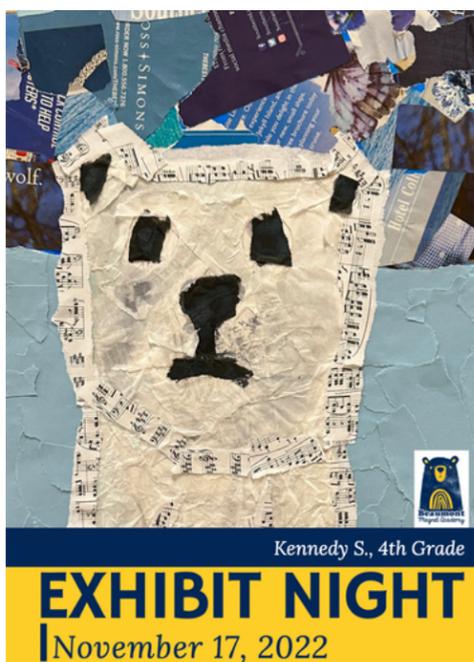

Way to go BMA! We've almost made it through the first half of the school year. Back in August, it was so good to see everyone's smiling faces like we did during the kindergarten bear family parade shown above. Since then, it feels as though most of us have found our groove and are ready to keep moving forward with this school year (after a good winter break of course). I am so excited to see all of the learning growth and fun the rest of this year is sure to bring. That includes our new school newspaper, "The Beaumont Buzz." Welcome readers! This is the very first issue published and I want to introduce

you to the writers and creators behind the print. Below, you will meet our team. The students who plan content, write articles, take pictures, and help deliver this newspaper to you. Be sure to check out all the articles and fun activities to do. Also, don't forget to take this issue home and share all the fun things happening with your families. Because we all know there's no place like BMA.

Special BMA Events

FALL EXHIBIT NIGHT

Something so special about BMA is the art work that covers the hallway walls and fills the display cases. There is so much hard work that goes into pulling this off for the enjoyment of our families and all of us that walk the halls everyday. We wanted to feature some of that amazing work here too. The newspaper team took a walk around the school and these were some of our favorites.

THE GREATEST SNOWMAN "BEST IN SNOW!!"

"I was surprised that 2nd and 3rd graders could be such professional performers."
-McKenzie L.

This month, some 2nd and 3rd graders put on an amazing holiday performance under the direction of Ms. Taylor. Here are some things students had to say about it:

"The snowman was my favorite part because she was so brave and sent the audience a really good message." -Holston B.

"I LOVED the songs. They're still stuck in my head." -Jameson H.

4th Grade Visits Blount Mansion

Written by McKenzie L. and Avery C.

The Blount Mansion was owned by William Blount. It is known as the birthplace of Tennessee and built in 1796. These were just a few of the facts we learned on this LE. To me (Avery), the mansion looked like a haunted house. The mansion had a back yard with a fence and there were trees inside the fence. One even

had a swing on it. A guide took us around giving us facts about history. We got to touch the artifacts too. There were quills, stamps, pipes, and candles. Our classmate, Blayne, asked about a box inside the house. The guide told us it was used as a foot warmer! We were surprised to know they had foot warmers way back then. We got to go into this cabin where slaves made the food. We didn't like that these people were slave owners. Overall, it was a good experience and we learned a lot about Tennessee history. We can't wait for our next LE.

New Leadership Faces at BMA

We have many new faces here at BMA this year, but there are two you may have seen helping lead the school. Mrs. Hunter and Mrs. Andrews have joined along side Mrs. Clayton to help make our school the best it can be. Two of our newspaper team members had the privilege of sitting down with them to chat. We could tell that they were a great addition to our school! Make sure you say hi when you see them!
