

NOVEMBER

A SEASON OF THANKFULNESS

November is a great month to remind us of the necessity of thankfulness. Thankfulness is described as the feeling of being pleased and relieved. As we begin to fill our schedules with many holiday activities, let's include time to be thankful. Sometimes the things that overwhelm us in life can magnify themselves into our thoughts creating anxieties and other emotions that hinder us from being the best we can be. Taking the time to close our eyes, breathe in and out, and ponder all the good things we've experienced and seen would give us intentions to live our best lives every day.

A FEW REMINDERS!

- We have three great ways to raise funds for our school. If you shop at Kroger and Food City, you can link your card to Gap Creek Elementary so when you shop, they will send funds to our school. We recently sent home papers explaining the process. Also, collecting Box Tops is another way to help the school raise money! Just clip/scan and send to school!
- On the back of our parent calendar, we included Knox County's approved snack list for parties and other school activities. It's also on our school's website. Please look over the list if you want to provide snacks for your child's classroom. Please no cupcakes or other party like foods that take up instructional time. We ask that items are pre-packaged and store bought. If you like to do anything for your child's class regarding snacks or treats, please contact your child's teacher to plan accordingly.
