

# Chromebooks in KCS

A new way to work

Testing can be done without logging in! Simply click My Apps in the lower right before you log in!

Getting Started!

What is it?

A browser in a box that looks like a computer!

Change my AD Password

Log into Chrome on any computer

First Step for All

si23456@student.knoxschools.org  
Looks like an email but doesn't act like one

My students don't have email!

email address  
AD Password  
Log in to device

Yes to Multiple Users

Limit users per device when possible

Apps are found on your shelf

Click the magnifying glass to find more apps

Pin & Unpin apps to your shelf

Find more apps in All Apps and Web Store

Find KCS recommended apps in the Web Store! Most apps are simply Chrome addons!

Printing is possible but paperless is easier!!

Capture Apps

Get Ad Blocker to Stop Annoying Ads

Safe and secure! Share files too!

Work Online! Use Google Docs, Slides & Sheets

My students can share docs with me or turn in online in Canvas!

Store all in the Cloud

Google Drive

My files are in the cloud!

Camp Wan2BTechie Chromebooks

PD is better around a campfire

To find out how to host a Camp Wan2BTechie...
