25
26 Questions and complaints regarding violations of this Code of Ethics or of any violation of state law
27 governing ethical conduct should be directed to the Chair of the Ethics Committee. Complaints shall be in
28 writing and signed under oath by the person making the complaint, and shall set forth in reasonable detail
29 the facts upon which the complaint is based.

30
31 The School District Ethics Committee may investigate any credible complaint against an official or
32 employee charging any violation of this Code of Ethics, or may undertake an investigation on its own
33 initiative when it acquires information indicating a possible violation, and make recommendations for
34 action to end or seek retribution for any activity that, in the Committee's judgment, constitutes a violation

The interpretation that a reasonable person in the circumstances would apply shall be used in interpreting and enforcing this Code of Ethics. When a violation of this Code of Ethics also constitutes a violation of a personnel policy or a civil service policy, the violation shall be dealt with as a violation of the personnel or civil service provisions rather than as a violation of this Code of Ethics.

Any complaint brought pursuant to this policy must be filed with the Ethics Committee within one year of the allegation.

EXCEPTIONS TO POLICY

The Director of Schools or the Director’s designated representative may make exceptions to this policy when it is determined to be in the best interest of the school system and provided that:

- 1. the exception does not violate any statutory or regulatory constraints under which the school system must operate;
- 2. the request for exception is made in writing and approved prior to taking the action(s) in question;
- 3. the exception is granted in writing and for a specific instance or occurrence.

Nothing in this policy should be considered to prohibit a teacher or employee from accepting a gift made in the aggregate from a student group, parent group, or community group or organization in recognition of services rendered to the group, organization or the community in general. However, such gifts should be modest and should not be presented in such a manner as to influence an action or to constitute payment for services rendered.
