The Board establishes these general goals for the conduct of its management program:

1. To develop a plan for the management of buildings and grounds which provides a safe, secure, comfortable, and clean environment for instruction and administration;
2. To provide a building maintenance program which protects the taxpayer’s investment in facilities and ensures their continued use;
3. To provide sufficient supplies and equipment for effective teaching and learning;
4. To provide a student transportation system which meets state requirements;
5. To design and implement a program of food services which emphasizes nutritional needs of children as the basis of growth and development of bodies and minds;
6. To collect and maintain data pertinent to educational planning; and
7. To provide a sound program of insurance protection for system employees, students, and property.
