TRI-STAR SCHOLARSHIP PROGRAM

UT is committed to providing Tennesseans with a high-quality, affordable education at Tennessee's flagship land-grant university. Our Tri-Star Scholarship Program helps Tennessee residents access the Volunteer experience through three scholarships: **Pledge, UT Promise, and Flagship.**

A gift in support of the Tri-Star Scholarship Program provides opportunity and access to students and their families. Your generosity enables more Tennesseans to afford a UT degree and our transformational college experience.

The Flagship Scholarship is offered to admitted freshmen who graduate from a designated Flagship high school. When combined with other federal, state, and institutional aid, this scholarship covers a student's tuition and mandatory fees for up to eight semesters.

Help us create named endowments for all Flagship high schools. The Flagship school partnership is designed to expand educational access and impact the next generation of Volunteers. Once the endowments are established for each Flagship high school, the focus can shift to growing them to support as many students as possible from these schools.
